Maryland State Advisory Council on Health and Wellness

MISSION

The mission of the Prevention and Health Promotion Administration is to protect, promote and improve the health and well-being of all Marylanders and their families through provision of public health leadership and through community-based public health efforts in partnership with local health departments, providers, community based organizations, and public and private sector agencies, giving special attention to at-risk and vulnerable populations.

VISION

The Prevention and Health Promotion Administration envisions a future in which all Marylanders and their families enjoy optimal health and well-being.
Health and Wellness Council

Mission and Structure
OUR PHILOSOPHY

Mission

Promote evidence-based programs for healthy lifestyles and the prevention, early detection and treatment of chronic disease; and

Make recommendations to the Maryland Department of Health (MDH) related to chronic disease prevention, health, and wellness
- Established by Maryland statute Chapter 40, Acts of 2017 13-201-502

- Consolidated 3 previously existing advisory Councils:
  - Heart Disease and Stroke
  - Physical Fitness
  - Arthritis

- Shifted to a unified Council with 4 statutorily established Committees
Committees

- Arthritis
- Diabetes
- Fitness
- Heart Disease and Stroke
